This food may perk him up.

Welcome back! I just got finished here, too!
Uwah! You got a lot of those!

But you'd always be friendly to me.
And bring me berries all the time...
Hm... Hm...

How should I put it...
Uh... What are you doing?
Well, ...
In return...
?
Well... You've help-ed me out
so many times... Um...

I'll give you a good grooming.

And when our bodies touch, I can't restrain myself...

So, this is why
you've been so down lately?

And I didn't want you to find out...
Yeah... I love you, but it's so dirty...
It's okay. I don't mind.
Uh, Roze, don't you think it's—
No,, I really don't mind.
Yup.

This is normal, I'm really really hungry!
Really? Oh, I see...

Since I don't have to worry anymore, I feel re-freshed.
And it's thanks to you, Roze.
But,

Maybe it was a little tiring...
You did just exercise after all...
